जब तक आपको यह परीक्षण पुस्तिका खोलने को न कहा जाए तब तक न खोलें

T.B.C.: FIAS-SFG26 **परीक्षण पुस्तिका अनुक्रम**

परीक्षण पुस्तिका

सामान्य अध्ययन

A

पूर्णांक : 100 **समय: एक घंटे**

अनुदेश

1. परीक्षा प्रारम्भ होने के तुरन्त बाद, आप इस परीक्षण पुस्तिका की पड़ताल अवश्य कर लें कि इसमें कोई बिना छपा, फटा या छूटा हुआ पृष्ठ अथवा प्रश्नांश, आदि न हो। यदि ऐसा है, तो इसे सही परीक्षण पुस्तिका से बदल लीजिए।
2. **कृपया ध्यान रखें कि OMR उत्तर-पत्रक में, उचित स्थान पर, रोल नम्बर और परिक्षण पुस्तिका अनुक्रम A, B, C या D को, ध्यान से एवं बिना किसी चूक या विसंगति के भरने और कूटबद्ध करने की जिम्मेदारी उम्मीदवार की है। किसी भी प्रकार की चूक/विसंगति की स्थिति में उत्तर -पत्रक निरस्त कर दिया जाएगा ।**
3. इस परीक्षण पुस्तिका पर साथ में दिए गए कोष्ठक में आपको अपना अनुक्रमांक लिखना है। परीक्षण पुस्तिका पर **और कुछ न** लिखें।

नाम:
ईमेल:
मोबाइल:

4. इस परीक्षण पुस्तिका में **50** प्रश्नांश (प्रश्न) हैं। प्रत्येक प्रश्नांश **अंग्रेज़ी और हिंदी** में छपा है। प्रत्येक प्रश्नांश में चार प्रत्युत्तर (उत्तर) दिए गए हैं। इनमें से एक प्रत्युतर को चुन लें, जिसे आप उत्तर-पत्रक पर अंकित करना चाहते हैं। यदि आपको ऐसा लगे कि एक से अधिक प्रत्युत्तर सही हैं, तो उस प्रत्युत्तर को अंकित करें जो आपको सर्वोत्तम लगे। किसी भी स्थिति में, प्रत्येक प्रश्नांश के लिए **केवल एक ही** प्रत्युत्तर चुनना है।
5. आपको अपने सभी प्रत्युत्तर अलग से दिए गए उत्तर-पत्रक पर ही अंकित करने हैं। उत्तर-पत्रक में दिए गए निर्देश देखिए।
6. ***सभी*** प्रश्नांशों *के अंक समान हैं।*
7. इससे पहले कि आप परीक्षण पुस्तिका के विभिन्न प्रश्नांशों के प्रत्युत्तर उत्तर-पत्रक पर अंकित करना शुरू करें, आपको प्रवेश प्रमाण-पत्र के साथ प्रेषित अनुदेशों के अनुसार कुछ विवरण उत्तर-पत्रक में देने हैं।
8. आप अपने सभी प्रत्युत्तरों को उत्तर-पत्रक में भरने के बाद तथा परीक्षा के समापन पर केवल उत्तर-पत्रक अधीक्षक को सौंप दें। आपको अपने साथ परीक्षण पुस्तिका ले जाने की अनुमति है।
9. कच्चे काम के लिए पत्रक परीक्षण पुस्तिका के अंत में संलग्न है।
10. **गलत उत्तरों के लिए दंड :**

वस्तुनिष्ठ प्रश्न-पत्रों में उम्मीदवार द्वारा दिए गए गलत उत्तरों के लिए दंड दिया जाएगा।

(i) प्रत्येक प्रश्न के लिए चार वैकल्पिक उत्तर हैं। उम्मीदवार द्वारा प्रत्येक प्रश्न के लिए दिए गए एक गलत उत्तर के लिए प्रश्न हेतु नियत किए गए अंकों का एक-तिहाई दंड के रूप में काटा जाएगा।

(ii) यदि कोई उम्मीदवार एक से अधिक उत्तर देता है, तो इसे गलत उत्तर माना जाएगा, यद्यपि दिए गए उत्तरों में से एक उत्तर सही होता है, फिर भी उस प्रश्न के लिए उपर्युक्तानुसार ही, उसी तरह का दंड दिया जाएगा।

(iii) यदि उम्मीदवार द्वारा कोई प्रश्न हल नहीं किया जाता है, अर्थात उम्मीदवार द्वारा उत्तर नहीं दिया जाता है, तो उस प्रश्न के लिए कोई दंड नहीं दिया जाएगा।

नोट: प्रश्न का उत्तर दें तथा अभ्यर्थी आत्मविश्वास स्तर (100% / 75% / 50% / 0%) का उपयोग करके उत्तर के प्रति अपनी निश्चितता का स्तर दर्ज कर सकते हैं। आप प्रत्येक प्रश्न के नीचे उपयुक्त आत्मविश्वास स्तर का चयन कर सकते हैं। इससे उन प्रश्नों की पुनरावृत्ति (रिवीजन) में सहायता मिलेगी, जिनमें उत्तर सही होने के बावजूद आप अनिश्चित थे।

जब तक आपको यह परीक्षण पुस्तिका खोलने को न कहा जाए तब तक न खोलें

Q.1) How many Delimitation Commissions have been constituted by the Government of India till December 2023?
a) One
b) Two
c) Three
d) Four

100%		75%		50%		0%

Which of the statements given above are correct?
a) I and IV only
b) I, II and III only
c) II and IV only
d) I, II, III and IV

100%		75%		50%		0%	

Q.1) दिसंबर 2023 तक भारत सरकार द्वारा कितने परिसीमन आयोगों का गठन किया गया है?
a) एक
b) दो
c) तीन
d) चार

100%		75%		50%		0%	

Q.2) भारतीय संविधान की आठवीं अनुसूची में समय-समय पर संशोधन किया गया है, और अनुसूची में नई भाषाएँ जोड़ी गई हैं। इस संदर्भ में निम्नलिखित भाषाओं पर विचार कीजिए:
I. सिंधी
II. मणिपुरी
III. संथाली
IV. मराठी
निम्नलिखित में से कौन-सा आठवीं अनुसूची में भाषा को शामिल करने का सही कालानुक्रमिक क्रम है?
a) IV - I - II - III
b) IV - I - III - II
c) I - II - III - IV
d) II - III - I - IV

100%		75%		50%		0%	

Q.3) भारत में सुशासन तंत्र के संदर्भ में, निम्नलिखित कथनों पर विचार कीजिए:
कथन I: भारत में सभी सरकारी कार्यालयों हेतु नागरिक चार्टर प्रदर्शित करना विधिक रूप से अनिवार्य है।
कथन II: भारत भ्रष्टाचार के विरुद्ध संयुक्त राष्ट्र कन्वेंशन का हस्ताक्षरकर्ता है, जो प्रकृति में विधिक रूप से बाध्यकारी है।
उपर्युक्त कथनों के संबंध में निम्नलिखित में से कौन-सा सही है?
a) कथन I और कथन II दोनों सही हैं और कथन II कथन I की सही व्याख्या करता है।
b) कथन I और कथन II दोनों सही हैं लेकिन कथन II कथन I की सही व्याख्या नहीं करता है।
c) कथन I सही है किन्तु कथन II गलत है।
d) कथन I गलत है किन्तु कथन II सही है।

100%		75%		50%		0%	

Q.4) 'फर्स्ट पास्ट द पोस्ट' चुनाव प्रणाली के बारे में निम्नलिखित में से कौन-सी विशेषता सही है?
a) जो उम्मीदवार विजयी होता है उसे बहुमत प्राप्त नहीं भी हो सकता है।
b) एक निर्वाचन क्षेत्र से एक से अधिक प्रतिनिधि चुने जा सकते हैं।
c) मतदाता उम्मीदवार को नहीं, पार्टी को वोट देते हैं।
d) प्रत्येक पार्टी को विधायिका में उसके द्वारा प्राप्त मतों के प्रतिशत के अनुपात में सीटें मिलती हैं।

100%		75%		50%		0%	

Q.5) भारतीय निर्वाचन प्रक्रिया में 'इंडेक्स कार्ड' के संदर्भ में, निम्नलिखित कथनों पर विचार कीजिए:
I. यह एसोसिएशन फॉर डेमोक्रेटिक रिफॉर्म्स (ADR) द्वारा विकसित एक गैर-सांविधिक रिपोर्टिंग प्रारूप है।
II. यह सभी हितधारकों हेतु निर्वाचन क्षेत्र स्तर पर चुनाव-संबंधी डेटा की पहुंच को बढ़ावा देता है।
उपर्युक्त कथनों में से कौन-सा/से सही है/हैं?
a) केवल I
b) केवल II
c) I और II दोनों
d) न तो I और न ही II

100%		75%		50%		0%	

Q.6) किशोर न्याय (बालकों की देखभाल और संरक्षण) अधिनियम, 2015 के संदर्भ में निम्नलिखित कथनों पर विचार कीजिए:
I. अधिनियम के अनुसार, 'बालक' वह व्यक्ति है जिसने अठारह वर्ष की आयु पूरी नहीं की है।
II. अधिनियम के अनुसार, राज्य सरकारों को प्रत्येक जिले हेतु बाल कल्याण समिति (CWC) का गठन करना आवश्यक है।
III. केंद्रीय दत्तक ग्रहण संसाधन प्राधिकरण (CARA) ने इस अधिनियम के माध्यम से एक सांविधिक निकाय का दर्जा प्राप्त किया।
IV. भारत में विधिक रूप से गोद लेना इसी अधिनियम द्वारा शासित होता है।
उपर्युक्त कथनों में से कौन-से सही हैं?
a) केवल I और IV
b) केवल I, II और III
c) केवल II और IV
d) I, II, III और IV

100%		75%		50%		0%	

Q.7) Consider the following statements with respect to the Sahyog Portal:

I. It has been launched by the Ministry of Home Affairs.

II. It is a platform used to issue content takedown orders to social media platforms and other online intermediaries.

IV. Media persons authorized by the Election Commission of India for poll day coverage.
V. Non-Resident Indians (NRIs) registered as overseas electors.

How many of the above are eligible to vote through Postal Ballots in India?

a) Only two
b) Only three
c) Only four
d) All five

100%		75%		50%		0%	

Q.45) With reference to the Group of Twenty (G20), consider the following statements:

I. The G20 is an informal intergovernmental forum of major economies of the world.
II. It was established in the aftermath of the 2008 global financial crisis.
III. The G20 has a permanent secretariat located in New York.
IV. In the G20 Summit, 2025, India proposed an initiative on countering the drug–terror nexus.

Which of the statements given above are correct?

a) I, II and III only
b) I and IV only
c) II, III and IV only
d) I, II, III and IV

100%		75%		50%		0%	

Directions for the following 2 (two) items:
Read the following passage and answer the items that follow the passage. Your answers to these items should be based on the passage only

Passage - 1

Every train journey carries a deeply human promise: that families will reunite, workers will return home, and students will arrive safely. This transformation is being driven by Kavach, India's indigenously developed Automatic Train Protection (ATP) system. Earlier, train operations on Indian Railways relied largely on trackside signaling and manual control. While modern interlocking systems improved operational safety, train driving remained heavily dependent on the Loco Pilot's ability to correctly observe signals and regulate speed. This reliance on human judgment had inherent limitations. Missed or misinterpreted signals occasionally led to serious accidents, underscoring the need for a robust ATP system. Kavach addresses these vulnerabilities through real-time monitoring and automatic intervention, ensuring safer and more reliable train operations. In doing so, it strengthens public trust in the railway system and brings India closer to a zero-accident vision.

Q.43) निर्वाचन नामावली के विशेष गहन पुनरीक्षण (SIR) के संदर्भ में निम्नलिखित कथनों में से कौन-सा/से सही है/हैं?

I. स्वतंत्रता के बाद, इसे पहली बार बिहार 2025 के विधानसभा चुनाव से पहले आयोजित किया गया था।

II. भारत का निर्वाचन आयोग SIR आयोजित करने का अपना अधिकार संविधान के अनुच्छेद 324 और जन प्रतिनिधित्व अधिनियम, 1950 से प्राप्त करता है।

III. इसे प्रवासन के कारण बहु-पंजीकरण, मृत मतदाताओं को न हटाना तथा अयोग्य व्यक्तियों के गलत समावेशन जैसी समस्याओं को दूर करने के लिए किया जाता है।

नीचे दिए गए कूट का उपयोग करके सही उत्तर चुनिए:

a) I और II

b) केवल III

c) I और III

d) II और III

100%		75%		50%		0%	

Q.44) निम्नलिखित पर विचार कीजिए:

I. वे निर्वाचक जो वर्तमान में निवारक निरोध के अधीन हैं।

II. 60 वर्ष से अधिक आयु के सभी वरिष्ठ नागरिक।

III. वे मतदाता जिन्हें आधिकारिक रूप से चुनाव ड्यूटी पर नियुक्त किया गया है।

IV. वे मीडिया कर्मी जिन्हें चुनाव दिवस कवरेज के लिए भारत निर्वाचन आयोग द्वारा अधिकृत किया गया है।

V. अनिवासी भारतीय (NRIs) जो विदेशी निर्वाचकों के रूप में पंजीकृत हैं।

उपर्युक्त में से कितने भारत में डाक मतपत्र के माध्यम से मतदान करने के पात्र हैं?

a) केवल दो

b) केवल तीन

c) केवल चार

d) सभी पाँच

100%		75%		50%		0%	

Q.45) G-20 के संदर्भ में, निम्नलिखित कथनों पर विचार कीजिए:

I. G20 विश्व की प्रमुख अर्थव्यवस्थाओं का एक अनौपचारिक अंतर-सरकारी मंच है।

II. इसकी स्थापना 2008 के वैश्विक वित्तीय संकट के बाद हुई थी।

III. G20 का एक स्थायी सचिवालय न्यूयॉर्क में स्थित है।

IV. G20 शिखर सम्मेलन, 2025 में भारत ने मादक द्रव्य–आतंकवाद गठजोड़ से निपटने पर एक पहल प्रस्तावित की।

उपर्युक्त कथनों में से कौन-से सही हैं?

a) केवल I, II और III

b) केवल I और IV

c) केवल II, III और IV

d) I, II, III और IV

100%		75%		50%		0%	

निम्नलिखित 2 (दो) प्रश्नों के लिए निर्देश:
नीचे दिए गए परिच्छेद को पढ़िए और उसके बाद दिए गए प्रश्नों के उत्तर दीजिए। इन प्रश्नों के आपके उत्तर केवल परिच्छेद पर आधारित होने चाहिए।

परिच्छेद - 1

प्रत्येक रेल यात्रा एक गहरे मानवीय वादे को साथ लेकर चलती है: कि परिवार पुनर्मिलन करेंगे, श्रमिक अपने घर लौटेंगे, और छात्र सुरक्षित पहुँचेंगे। इस परिवर्तन को भारत की स्वदेशी रूप से विकसित स्वचालित ट्रेन सुरक्षा (ATP) प्रणाली कवच द्वारा संचालित किया जा रहा है। पहले, भारतीय रेल में ट्रेन संचालन मुख्यतः पटरी किनारे के संकेतों (ट्रैकसाइड सिग्नलिंग) और मैनुअल नियंत्रण पर निर्भर करता था। यद्यपि आधुनिक इंटरलॉकिंग प्रणालियों ने परिचालन सुरक्षा में सुधार किया, फिर भी ट्रेन संचालन काफी हद तक लोको पायलट के संकेतों को सही ढंग से देखने और गति नियंत्रित करने की क्षमता पर निर्भर रहा। इस प्रकार मानवीय निर्णय पर निर्भरता की अपनी अंतर्निहित सीमाएँ थीं। कभी-कभी संकेतों को न देख पाना या गलत समझ लेना गंभीर दुर्घटनाओं का कारण बना, जिससे एक मजबूत ATP प्रणाली की आवश्यकता स्पष्ट हुई। कवच प्रणाली इन सुभेद्यताओं को वास्तविक-समय निगरानी और स्वचालित हस्तक्षेप के माध्यम से दूर करती है, जिससे अधिक सुरक्षित और विश्वसनीय ट्रेन संचालन सुनिश्चित होता है। इस प्रकार यह रेलवे प्रणाली में जन विश्वास को सुदृढ़ करता है और भारत को शून्य-दुर्घटना लक्ष्य के और निकट लाता है।

Q.46) Which one of the following statements best reflects the central idea of the passage?

a) Frequent incidents of accidents negatively affect public trust in transportation systems.
b) Kavach will enhance safety in railway operations by addressing the limitations of human judgment.
c) Railways in India not only bridge geographical distances but also foster social connections.
d) While human operators are susceptible to error, technological systems offer greater reliability in train operations.

100%		75%		50%		0%	

Q.47) With reference to the above passage, the following assumptions have been made:

I. The adoption of Automatic Train Protection systems would completely eliminate human intervention in train operations.
II. As rail transport becomes safer, its share of total passenger traffic is likely to increase.

Which of the above assumptions is/are valid?

a) I only
b) II only
c) Both I and II
d) Neither I nor II

100%		75%		50%		0%	

Q.48) There are a large number of brass weights weighing 3 gm, 12 gm, 35 gm, 100 gm, and 250 gm each. Consider the following statements:

I. To assemble exactly 68 gm of these weights, one must use at least 6 weights.
II. To weigh a 68 gm object using a two-pan balance, one can use less than 4 weights.

Which of the statements given above is/are correct?

a) I only
b) II only
c) Both I and II
d) Neither I nor II

100%		75%		50%		0%	

Q.49) There are five agents V, W, X, Y and Z, each one of whom has to be assigned one zone. Neither V nor W can be assigned Zone-1. Zone-2 must be assigned to either W or X. In how many ways can the assignment be done?

a) 24
b) 30
c) 36
d) 42

100%		75%		50%		0%	

Q.50) Consider the following :

I. A # B means A is neither smaller than nor equal to B.
II. A @ B means A is not greater than B.
III. A % B means A is neither greater than nor equal to B.
IV. A $ B means A is not smaller than B.
V. A & B means A is neither smaller nor greater than B.

Statement :

P $ Q, Q @ R, R & S, S # T

Conclusion-1 : P $ T

Conclusion-2 : T % Q

Which one of the following is correct in respect of the above Statement and the Conclusions ?

a) Only Conclusion-1 follows from the Statement.
b) Only Conclusion-2 follows from the Statement.
c) Both Conclusion-1 and Conclusion-2 follow from the Statement.
d) Neither Conclusion-1 nor Conclusion-2 follows from the Statement.

100%		75%		50%		0%	

Q.46) निम्नलिखित में से कौन-सा कथन परिच्छेद के केंद्रीय विचार को सर्वाधिक उपयुक्त रूप से प्रतिबिंबित करता है?

a) बार बार होने वाली दुर्घटनाएं परिवहन प्रणालियों में जन विश्वास को नकारात्मक रूप से प्रभावित करती हैं।
b) कवच मानवीय निर्णय की सीमाओं को दूर करके रेलवे संचालन में सुरक्षा को बढ़ाएगा।
c) भारत में रेल न केवल भौगोलिक दूरियों को कम करती है, बल्कि सामाजिक संबंधों को भी सुदृढ़ करती है।
d) यद्यपि मानवीय संचालक त्रुटियों के प्रति संवेदनशील होते हैं, तकनीकी प्रणालियाँ ट्रेन संचालन में अधिक विश्वसनीयता प्रदान करती हैं।

100%		75%		50%		0%	

Q.47) उपर्युक्त परिच्छेद के संदर्भ में, निम्नलिखित धारणाएं बनाई गई हैं:

I. स्वचालित ट्रेन सुरक्षा (ATP) प्रणालियों को अपनाने से ट्रेन संचालन में मानवीय हस्तक्षेप पूरी तरह समाप्त हो जाएगा।
II. जैसे-जैसे रेल परिवहन अधिक सुरक्षित होगा, कुल यात्री यातायात में इसका हिस्सा बढ़ने की संभावना है।

उपर्युक्त में से कौन-सी धारणा/धारणाएं मान्य है/हैं?

a) केवल I
b) केवल II
c) I और II दोनों
d) न तो I और न ही II

100%		75%		50%		0%	

Q.48) 3 ग्राम, 12 ग्राम, 35 ग्राम, 100 ग्राम और 250 ग्राम के पीतल के बहुत से बाट उपलब्ध हैं। निम्नलिखित कथनों पर विचार कीजिए:

I. इन बाटों का उपयोग करके ठीक 68 ग्राम प्राप्त करने के लिए कम से कम 6 बाटों का उपयोग करना आवश्यक है।
II. दो पलड़े वाले तराजू से 68 ग्राम की वस्तु को तौलने के लिए 4 से कम बाटों का उपयोग किया जा सकता है।

उपर्युक्त कथनों में से कौन-सा/से सही है/हैं?

a) केवल I
b) केवल II
c) I और II दोनों
d) न तो I और न ही II

100%		75%		50%		0%	

Q.49) पाँच अभिकर्ता V, W, X, Y और Z हैं, जिनमें से प्रत्येक को एक क्षेत्र आवंटित किया जाना है। न तो V और न ही W को क्षेत्र-1 आवंटित किया जा सकता है। क्षेत्र-2 को या तो W या X को आवंटित किया जाना चाहिए। यह आवंटन कितने तरीकों से किया जा सकता है?

a) 24
b) 30
c) 36
d) 42

100%		75%		50%		0%	

Q.50) निम्नलिखित पर विचार कीजिए:

I. A # B का अर्थ है A, B से न तो छोटा है और न ही उसके बराबर है।
II. A @ B का अर्थ है A, B से बड़ा नहीं है।
III. A % B का अर्थ है A, B से न तो बड़ा है और न ही उसके बराबर है।
IV. A $ B का अर्थ है A, B से छोटा नहीं है।
V. A & B का अर्थ है A, B से न तो छोटा है और न ही बड़ा है।

कथन:

P $ Q, Q @ R, R & S, S # T

निष्कर्ष-1: P $ T

निष्कर्ष-2: T % Q

उपर्युक्त कथन और निष्कर्षों के संबंध में निम्नलिखित में से कौन-सा सही है?

a) कथन से केवल निष्कर्ष-1 निकलता है।
b) कथन से केवल निष्कर्ष-2 निकलता है।
c) कथन से निष्कर्ष-1 और निष्कर्ष-2 दोनों निकलते हैं।
d) कथन से न तो निष्कर्ष-1 निकलता है और न ही निष्कर्ष-2।

100%		75%		50%		0%	

SPACE FOR ROUGH WORK

Q.1) How many Delimitation Commissions have been constituted by the Government of India till December 2023?
a) One
b) Two
c) Three
d) Four

Ans) d
Exp) Option d is the correct answer
Option d is correct. Delimitation means the process of fixing the number of seats and boundaries of territorial constituencies in each State for the Lok Sabha and Legislative assemblies. The Union government creates the Delimitation Commission once the Delimitation Act is in effect. Under the Delimitation Acts of 1952, 1962, 1972, and 2002, **Delimitation Commissions were established four times- in 1952, 1963, 1973 and 2002**. The commission was not created after the 1981 and 1991 Censuses.

Q.2) The Eighth Schedule of the Indian Constitution has been amended from time to time, and new languages are added to the Schedule. In this context consider the following languages:
I. Sindhi
II. Manipuri
III. Santhali
IV. Marathi
Which of the following is the correct chronological order of inclusion of the language in the Eighth Schedule?
a) IV - I - II - III
b) IV - I - III - II
c) I - II - III - IV
d) II - III - I - IV

Ans) a
Exp) Option a is the correct answer.
The Eighth Schedule of the Indian Constitution originally listed 14 languages. Over the years, through various constitutional amendments, 8 more languages were added, bringing the current total to 22. These languages are recognized under Articles 344(1) and 351 of the Constitution, aimed at promoting and preserving India's linguistic diversity.
Option IV: Marathi (1950): Marathi is one of the original 14 languages included in the Eighth Schedule when the Constitution was adopted in 1950. Assamese, Bengali, Gujarati, Hindi, Kannada, Kashmiri, Malayalam, Marathi, Odia (then Oriya), Punjabi, Sanskrit, Tamil, Telugu, and Urdu were added in 1950.
Option I: Sindhi (1967): It was added by the **21st Constitutional Amendment Act, 1967.**
Option II: Manipuri (1992): It was added by the **71st Constitutional Amendment Act, 1992.** Along with it, Konkani and Nepali were also included in the Eighth Schedule in the same year.
Option III: Santhali (2003): It was added by the **92nd Constitutional Amendment Act, 2003.** This amendment added four languages: Bodo, Dogri, Maithili, and Santhali.
Hence, Correct chronological order: **IV – I – II – III.**

Q.3) With reference to good governance mechanisms in India, consider the following statements:
Statement I: In India it is legally mandatory for all government offices to display citizen's charters.
Statement II: India is a signatory to the United Nations Convention Against Corruption, which is legally binding in nature.
Which one of the following is correct in respect of the above statements?
a) Both Statement I and Statement II are correct and Statement II explains Statement I
b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
c) Statement I is correct but Statement II is not correct
d) Statement I is not correct but Statement II is correct

Ans) d
Exp) Option d is the correct answer.
The concept of the Citizens' Charter **originated in the United Kingdom in 1991** under Prime Minister John Major. Inspired by this model, **India adopted the idea in 1997 during a Conference of Chief Ministers**, where it was decided that all government departments and public service organizations at the Union and State levels should formulate and implement Citizens' Charters.
Statement I is incorrect: Based on the recommendation of the **Second Administrative Reforms Commission, in its 12th Report (2009),** the Department of Personnel and Training issued guidelines to standardize the preparation and implementation of charters across departments. However, the **Citizens' Charter in India does not have a statutory basis, as no law enacted by Parliament mandates its compulsory adoption or enforcement.**
Statement II is correct: India ratified the United Nations Convention Against Corruption (UNCAC) on 9 May 2011. UNCAC is the **first globally legally binding anti-corruption instrument**. Once ratified, it creates binding obligations on State Parties under international law, covering areas such as prevention, criminalisation, asset recovery, and international cooperation. India's ratification makes it a State Party bound by the Convention's provisions.

Q.4) Which one of the following features is correct about the First Past the Post System of election?
a) A candidate who wins may not get the majority of votes
b) More than one representative may be elected from one constituency
c) Voters vote for the party, not the candidate
d) Every party gets seats in the legislature in proportion to percentage of votes that it gets

Ans) a
Exp) Option a is the correct answer
Option a is correct: In the First Past the Post (FPTP) system, the candidate who secures the highest number of votes in a constituency is declared elected. In this system, whoever secures more votes than all other candidates, is declared elected. In this system, the winning candidate need not secure a majority of the votes. It is called the First Past the Post as the candidate crosses the winning post first of all, is the winner. This is the method of election prescribed by the Constitution of India for Lok Sabha and State Assemblies.
Option b is incorrect: More than one representative may be elected from one constituency in a proportional representation.
Option c is incorrect: In systems like **Proportional Representation (PR), voters typically select a party,** and representatives are elected from party lists. As a result, there is no single representative directly accountable for a specific locality.
Option d is incorrect: In the Proportional Representation (PR) system, a party gets the same proportion of seats as its proportion of votes.

Q.5) With reference to the 'Index Cards' in the Indian electoral process, consider the following statements:
I. It is a non-statutory reporting format developed by the Association for Democratic Reforms.
II. It promotes accessibility of election-related data at the constituency level for all stakeholders
Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) b
Exp) Option b is the correct answer.
In recent years, the Election Commission of India (ECI) has focused on improving transparency and accessibility of electoral data. The Index Card system acts as a structured statistical repository at the constituency level. This helps researchers, journalists, and policymakers analyse voting behaviour in a more scientific and data-driven manner.
Statement I is incorrect. The Index Card system, **developed by the Election Commission of India,** is **a non-statutory, post-election tool used for statistical reporting**.
Statement II is correct: The Index Card system **promotes access to constituency-level election data for researchers, policymakers, journalists, and the public.** It provides detailed information on candidates, votes, parties, gender patterns, and regional trends, forming the basis for around 35 Lok Sabha and 14 State Assembly statistical reports.
Source:) https://www.thehindu.com/news/national/eci-upgrades-mechanism-for-index-cards-on-electoral-data-replaces-manual-entry/article69660851.ece

Q.6) Consider the following statements in the context of the Juvenile Justice (Care and Protection of Children) Act, 2015:
I. As per the act, a 'child' is any person who has not completed eighteen years of age.
II. According to the act, State Governments are required to constitute Child Welfare Committee (CWC) for every district.
III. Central Adoption Resource Agency (CARA) attained the status of a Statutory Body through this act.
IV. Legal adoption in India is governed by this Act.
Which of the statements given above are correct?
a) I and IV only
b) I, II and III only
c) II and IV only
d) I, II, III and IV

Ans) d
Exp) Option d is the correct answer.
Statement I is correct: Under the Juvenile Justice (Care and Protection of Children) Act, 2015, **a child is defined as a person below 18 years of age.**
As per Section 15(1), for heinous offences, the Juvenile Justice Board conducts a preliminary assessment to decide if a 16–18-year-old should be tried as an adult.
Statement II is correct: Under Section 27 of The Juvenile Justice (Care and Protection of Children) Act, 2015, the **State Government must constitute one or more Child Welfare Committee (CWC) for every district.** The Committee shall consist of a Chairperson, and four other members as the state may think fit to appoint (at least one shall be a woman and another an expert on matters concerning children).

Statement III is correct: The **Juvenile Justice (Care and Protection of Children) Act, 2015** (amended 2021) **designated the Central Adoption Resource Authority (CARA) as a statutory nodal body** to regulate adoptions. CARA is a statutory body **under the Ministry of Women and Child Development** that promotes & facilitates in-country adoption and regulates inter-country adoption.

Statement IV is correct: Legal adoption in India is governed by the Juvenile Justice (Care and Protection of Children) Act, 2015, and the Adoption Regulations, 2022, which provide a transparent, child-centric mechanism for matching orphaned, abandoned, and surrendered children with prospective adoptive parents.

Q.7) Consider the following statements with respect to the Sahyog Portal:
I. It has been launched by the Ministry of Home Affairs.
II. It is a platform used to issue content takedown orders to social media platforms and other online intermediaries.
III. It introduces the concept of 'safe harbour' for the first time, under which internet intermediaries are not liable for third-party content hosted.
Which of the statements given above is/are correct?
a) I and II only
b) II only
c) I and III only
d) I, II and III

Ans) a
Exp) Option a is the correct answer.
The Sahyog Portal is a centralized digital dashboard designed to strengthen India's cyber-governance and streamline the regulation of online content.

Statement I is correct: The portal has been launched by the Ministry of Home Affairs (MHA). It is maintained by the Indian Cyber Crime Coordination Centre, which falls under the MHA and acts as the national nodal point for combating cybercrime in India.

Statement II is correct: The Sahyog Portal is designed to facilitate faster coordination between law enforcement agencies and online intermediaries for issuing notices related to blocking or removal of unlawful content. It streamlines the process under the IT framework to ensure timely compliance. Thus, **it is a platform used to issue content takedown orders to social media platforms and other online intermediaries.**

Statement III is incorrect: Under Section 79 of the Information Technology (IT) Act, 2000, online intermediaries are granted "safe harbour" protection, which gives them legal immunity from liability for content generated by their users. With safe harbour, only the user who created the content faces legal action.

Sahyog Portal is a centralised communication channel through which notices under Section 79(3)(b) of the Information Technology (IT) Act, 2000 are delivered to internet intermediaries.

Section 79(3)(b) states that internet intermediaries lose Safe Harbour protection if, upon receiving "actual knowledge" from an appropriate government agency about any unlawful information, they fail to "expeditiously remove or disable access" to that material. The Sahyog portal was created to automate and streamline the process of sending these notices.

Thus, Sahyog portal does not provide Safe Harbour protection to the internet intermediaries for the first time.

Q.8) In the context of Indian Polity, consider the following statements:
Statement I: 'Hindi Diwas' (Hindi Day) is observed annually on 14th September in India.
Statement II: On 14 September 1949, the Constituent Assembly of India adopted Hindi in the Devanagari script as one of the official languages of the Union.
Which one of the following is correct in respect of the above statements?
a) Both Statement I and Statement II are correct and Statement II explains Statement I.
b) Both Statement I and Statement II are correct but Statement II does not explain Statement I.
c) Statement I is correct but Statement II is not correct.
d) Statement I is not correct but Statement II is correct.

Ans) a
Exp) Option a is the correct answer.
Statement I is correct: Every year, September 14 is celebrated as Hindi Diwas (Hindi Day) across India. 'Hindi Diwas' is celebrated to promote the use and development of Hindi as an official language. The date is fixed and is celebrated in all Central Government Offices situated in India and abroad.
Statement II is correct: On 14th September 1949, the Constituent Assembly adopted Hindi in Devanagari script as an Official Language of the Union. This decision was later incorporated into the Constitution under **Article 343 of the Constitution of India**.
Statement II explains Statement I: The date of September 14 was chosen for the annual celebration specifically to commemorate the anniversary of the day Hindi was granted official status by the Constituent Assembly. **Therefore, Statement II is the explanation for Statement I.**
Hence, **Both Statement I and Statement II are correct and Statement II explains Statement I.**

Q.9) The 'TALASH' initiative recently launched by the Ministry of Tribal Affairs is related to which one among the following?
a) To strengthen livelihood opportunities for tribal artisans of North Eastern States.
b) To support the all-round development of students in Eklavya Model Residential Schools.
c) To map and digitize the land records of Scheduled Tribes across all forest ranges.
d) To promote AI-enabled documentation and digital preservation of endangered tribal languages.

Ans) b
Exp) Option b is the correct answer.
The TALASH (Tribal Aptitude, Life Skills and Self-Esteem Hub) initiative is a joint program by the National Education Society for Tribal Students (NESTS) and UNICEF India. It is designed specifically for students in Eklavya Model Residential Schools (EMRSs) **to foster self-awareness, provide psychometric assessments for career clarity, and equip them with essential life skills**.

TALASH is a national program to support the all-round development of students in Eklavya Model Residential Schools (EMRSs). TALASH aims to improve both the education and personal growth of tribal students across India.

Q.10) Consider the following countries:
I. China
II. Australia
III. India
IV. Mexico
How many of the above are members of Asia-Pacific Economic Cooperation (APEC)?
a) Only one
b) Only two
c) Only three
d) All the four

Ans) c
Exp) Option c is the correct answer.
The **Asia-Pacific Economic Cooperation (APEC)** is a regional economic forum established in 1989 to promote free trade, investment liberalisation, economic integration, and sustainable growth across the Asia-Pacific region. It currently has 21 member economies.
Option I is correct. China is a full member of APEC. As one of the world's largest economies and a major trading nation in the Asia-Pacific
Option II is correct. Australia is a founding member of APEC.
Option III is incorrect. India is **not** a member of APEC but participates as an observer.
Option IV is correct. Mexico is a member of APEC.

Q.11) Consider the following statements in respect of the National Flag of India according to the Flag Code of India, 2002:
Statement-I: One of the standard sizes of the National Flag of India is 600 mm x 400 mm.
Statement-II: The ratio of the length to the height (width) of the Flag shall be 3:2.
Which one of the following is correct in respect of the above statements?
a) Both Statement-I and Statement-II are correct and Statement-II is the correct explanation for Statement-l
b) Both Statement-I and Statement-II are correct and Statement-II is not the correct explanation for Statement-I
c) Statement-l is correct but Statement-II is incorrect is incorrect
d) Statement-l is incorrect Statement-II is correct

Ans) d
Exp) Option d is the correct answer
The use, display and hoisting of the National Flag in the country is guided by an overarching set of instructions called the **'Flag Code of India 2002'.** The code brings together all laws, conventions, practices, and instructions for the display of the National Flag.
Statement I is incorrect: As per the Flag code of India 2002, **the National Flag cannot be in the dimension of 600mm*400mm.** The code states that the National flag can be of nine standard dimensions as follows:

Flag Size No.	Dimensions
1.	6300 x 4200
2.	3600 x 2400
3.	2700 x 1800
4.	1800 x 1200
5.	1350 x 900
6.	900 x 600
7.	450 x 300
8.	225 x 150
9.	150 x 100

Statement II is correct: The National Flag shall be rectangular in shape and the ratio of the length to the height (width) of the Flag shall be **3:2.** Hence, Statement II is correct.

Q.12) With reference to the Census of India 2027, consider the following statements:
I. Census-2027's mascots are "Pragati" and "Vikas".
II. It will be the first Census to allow online self-enumeration.
III. The first person enumerated in the Census 2027 is the President of India, Smt. Droupadi Murmu
Which of the statements given above are correct?
a) I, II and III
b) II and III only
c) I and II only
d) I and III only

Ans) a
Exp) Option a is the correct answer.
The **first modern census began in 1872**, followed by the **first synchronous nationwide census in 1881**. Since then, it has been conducted every ten years under the **Census Act, 1948**. **Census 2027 will be the 16th round of the regular census in India and the 8th conducted since Independence.**
The Census of India 2027 would be conducted **in two phases only**. **Phase I (April-Sept 2026)** covers House Listing and housing conditions, while **Phase II (Feb 2027)** focuses on Population Enumeration.
Statement I is correct: Census-2027's mascots, "Pragati" and "Vikas," symbolize the equal participation of women and men in fulfilling the resolve to make India a developed nation by 2047. Through these mascots, information, objectives, and key messages related to Census 2027 will be disseminated in an effective and citizen-friendly manner across diverse sections of society.
Statement II is correct: Census 2027 introduces a **major digital innovation**. For the first time, citizens will be able to **self-enumerate online**. This will be supported by an **in-built validation check mechanism**, which will ensure that incorrect or inconsistent data entries are minimized.

Statement III is correct: **The national enumeration exercise was initiated with the enumeration of the President of India, Smt Droupadi Murmu, through the option of Self-Enumeration, upholding the proud tradition of commencing the national count with the First Citizen of India.**

Q.13) With reference to the Committee of Parliament on Official Language constituted under the Official Language Act, 1963, consider the following statements:
I. All the members of this committee shall be members of the House of the people.
II. It shall be the duty of the Committee to review the progress made in the use of Hindi for the official purposes of the Union
III. The Committee submits its report to the President of India.
Which of the statements given above is/are correct?
a) II only
b) I and III only
c) II and III only
d) I, II, and III

Ans) c
Exp) Option c is the correct answer.
Under section 4 of the Official Language Act, 1963, after the expiry of ten years from the date on which section 3 of the Act comes into force (26th January, 1965), a Committee of Parliament on Official Language shall be constituted.
Statement I is incorrect: The Committee shall consist of **thirty members**, of whom **twenty shall be members of the House of the people and ten shall be members of the Council of States**. Members are elected in accordance with the system of proportional representation by means of the single transferable vote.
Statements II and III are correct: It shall be the duty of the Committee to review the progress made in the use of Hindi for the official purposes of the Union and **submit a report to the President** making recommendations thereon and the President shall cause the report to be laid before each House of Parliament, and sent to all the State Governments.

Q.14) With reference to the doctrine of escheat under Indian law, which of the following best describes it?
a) The State acquires property of a deceased person after paying compensation to surviving legal heirs.
b) The property of a person who dies without a will and without legal heirs passes to the State by operation of law.
c) The State holds unclaimed property in trust until a legal heir asserts a valid claim within a time limit.
d) A court transfers disputed property to the State when legal heirs cannot resolve competing inheritance claims.

Ans) b
Exp) Option b is the correct answer.
Option b is correct: The doctrine of escheat is a common law principle, retained in Indian law, under which **property belonging to a person who dies intestate (without a will) and leaves behind no legal heirs automatically vests in the State.** The State does not acquire this property as a successor or purchaser – it vests by operation of law, with **no**

compensation payable and no competing private claim recognised. In India, this principle is codified under **Section 29 of the Hindu Succession Act, 1956** (for Hindus) and **Section 32A of the Indian Succession Act, 1925 (for others)**, which provide that if an intestate leaves no heir, the property devolves upon the Government.
Knowledge Base:
Article 296 of the Constitution of India deals with Property accruing by escheat or lapse or as bona vacantia.

Q.15) With reference to the Sabka Bima Sabki Raksha (Amendment of Insurance Laws) Act, 2025, the Act raises the permissible FDI limit in Indian insurance companies to:
a) 49% of paid-up equity capital
b) 51% of paid-up equity capital
c) 74% of paid-up equity capital
d) 100% of paid-up equity capital

Ans) d
Exp) Option d is the correct answer.
The **Sabka Bima Sabki Raksha (Amendment of Insurance Laws) Act, 2025** is a reform measure aimed at expanding insurance penetration, attracting global capital, and strengthening the financial capacity of insurance companies in India. The Act raises the permissible FDI limit to **100% of paid-up equity capital**, allowing **complete foreign ownership** of insurance companies.

Q.16) With reference to provisions relating to elections under the Constitution of India, consider the following statements:
Statement I: Parliament as well as State Legislatures can enact laws with respect to matters related to elections to State Legislatures.
Statement II: The subject 'elections to State Legislatures' is part of the Concurrent List of the Seventh Schedule of the Constitution.
Which one of the following is correct in respect of the above statements?
a) Both Statement I and Statement II are correct and Statement II explains Statement I
b) Both Statement I and Statement II are correct, but Statement II does not explain Statement I
c) Statement I is correct, but Statement II is not correct
d) Statement I is not correct, but Statement II is correct

Ans) c
Exp) Option c is the correct answer.
Statement I is correct. Under Article 327, Parliament has the authority to make laws on all matters relating to elections to both Parliament and State Legislatures. Simultaneously, Article 328 empowers **State Legislatures to make laws regarding elections to their own legislatures**, **but only in areas where Parliament has not already legislated**.
As per Article 328 of the Indian Constitution, subject to the provisions of this Constitution and in **so far as provisions in that behalf is not made by Parliament**, the Legislature of a State may from time to time by law make provision with respect to all matters relating to, or in connection with, the elections to the House or either House of the Legislature of the State including the preparation of electoral rolls and all other matters necessary for securing the due constitution of such House or Houses.

Statement II is incorrect. The subject 'elections to the state legislatures' is **not** placed in the **Concurrent List.** Instead, **Entry 72 of the Union List** covers elections to Parliament, State Legislatures, and offices of President and Vice-President. Also, **Entry 37 of the State List** covers elections to State Legislatures, but subject to Parliamentary law.

Q.17) Consider the following:
I. Election of the President of India
II. Electing the Deputy Chairman of the Council of States
III. Election of the Vice-President of India
IV. Electing elected members of the Legislative Council of the state in case of a bicameral Legislature in the state.
In India, elections to the office of how many of the above are held in accordance with the method of proportional representation by means of a single transferable vote?
a) Only one
b) Only two
c) Only three
d) All the four

Ans) c
Exp) Option c is the correct answer
Option I is correct: The Presidential election is conducted using the system of proportional representation by means of the single transferable vote, wherein the voting is done by secret ballot. Unlike general elections, where electors vote for a single candidate, the voters of the Presidential election can vote for as many candidates as in the fray. A ballot paper is presented to the Electoral College, and the electors must write the order of preferences against the names of candidates on the ballot paper.
Option II is incorrect: The method of proportional representation is not followed in the election of the Deputy Chairman of the Council of States. The Deputy Chairman of the Council of States is elected by its members from amongst them with a simple majority.
Option III is correct: The Vice President of India is elected indirectly by an electoral college consisting of members of both houses of Parliament- the Lok Sabha and the Rajya Sabha. **The election follows the system of proportional representation by means of the single transferable vote** and voting is conducted by secret ballot.
Option IV is correct: The members of the State Legislative Council are elected in accordance with the system of proportional representation by means of a single transferable vote.

Q.18) The Indian Electronic Voting Machine (EVM) system is also termed as Election Commission of India (ECI)-EVM. In this context, consider the following statements:
I. The EVMs were used nationwide for the first time during the 2009 General Elections to the Lok Sabha.
II. The EVM consists of a Ballot Unit, Control Unit, and Voter Verifiable Paper Audit Trail.
III. The EVMs can neither be hacked nor tampered with.
Which of the statements given above is/are correct?
a) III only

b) I, II and III
c) II and III only
d) I and II only

Ans) c
Exp) Option c is the correct answer.
An Electronic Voting Machine (EVM) is a portable electronic device used to conduct elections. It allows voters to cast their votes electronically, replacing the traditional paper ballot system.
The Indian Electronic Voting Machine (EVM) system is also termed as ECI-EVM, meaning an EVM specifically designed, manufactured, and used for Elections as per the election procedure and rules framed by the Election Commission of India
Statement I is incorrect. EVMs were used nationwide for the first time in the **2004 general elections**, not in 2009. In 1982, Electronic Voting Machines (EVMs) were introduced in a trial run in Kerala's Paravur constituency. In 2003, all state elections and by-elections were held using EVMs.
Statement II is correct. ECI – **EVM consists of Ballot Unit (BU), Control Unit (CU) and the later added Voter Verifiable Paper Audit Trail (VVPAT).**
Ballot Unit- the voter can franchise his/her vote by pressing the button against the candidate of his/her choice.
Control Unit- enables the Ballot Unit to accept vote from the voter and stores the vote cast.
Voter Verifiable Paper Audit Trail- allows the voter to verify that their votes are cast as intended.
Statement III is correct. As per the Election Commission of India (EC), **Electronic Voting Machines (EVMs) can neither be hacked nor tampered with.**
EVMs are standalone machines (i.e. not connected with the external world), has unauthorized access detection module, most advanced encryption techniques. Along with these, there are other technical and administrative safeguards that ensure that EVMs can neither be hacked nor tampered with.

Q.19) A Newspaper in India provides the following information:
The Election Commission of India (ECI) on March 16 announced that the country would vote in seven phases in the Lok Sabha elections, from April 19 to June 1 and the results will be announced on June 4.
Based on the above information, the Model Code of Conduct (MCC) shall be applicable throughout the country from X till Y. What is X and Y?
a) 16th March and 4th June
b) 19th April and 4th June
c) 16th March and 1st June
d) 19th April and 1st June

Ans) a
Exp) Option a is the correct answer
The **Model Code of Conduct (MCC)** is a set of guidelines issued by the **Election Commission of India** to ensure **free, fair, and peaceful elections**. During general elections to the House of People (Lok Sabha), the code is applicable throughout the country. It is enforced from the date of announcement of the election schedule by the Election Commission of India and is operational till the process of elections is completed (i.e. until the results are officially declared).
Thus, based on the above information, the Model Code of Conduct shall be applicable from 16th March i.e. the date of announcement of the Schedule of Lok Sabha Elections, till 4th June, the date of declaration of the results.

Q.20) The Ayni Airbase, recently seen in news, is located in which of the following countries?
a) Uzbekistan
b) Kazakhstan
c) Kyrgyzstan
d) Tajikistan

Ans) d
Exp) Option d is the correct answer.
The **Ayni Airbase**, located in **Tajikistan** near Dushanbe, was India's only full-fledged overseas military air facility. Developed with Indian assistance, it held strategic significance due to its proximity to Afghanistan, the Wakhan Corridor, Xinjiang, and Pakistan-occupied regions, offering India logistical and geopolitical reach into Central Asia. India had to withdraw from it because the bilateral agreement was not renewed.

Q.21) With reference to the "Tea Board" in India, consider the following statements:
1. The Tea Board is a statutory body.
2. It is a regulatory body attached to the Ministry of Agriculture and Farmers Welfare.
3. The Tea Board's Head Office is situated in Bengaluru.
4. The Board has overseas office at Dubai and Moscow.
Which of the statements given above are correct?
a) 1 and 3
b) 2 and 4
c) 3 and 4
d) 1 and 4

Ans) d
Exp) Option d is the correct answer.
Statement 1 is correct: The Tea Board of India is a **statutory body created under the Tea Act, 1953** and it was established for the purposes of regulating the Indian tea industry and protecting the interests of tea producers in India.
Statement 2 is incorrect: It is functioning as a statutory body of the Central Government **under the Ministry of Commerce.**
Statement 3 is incorrect: Tea Board of India's Head Office is situated in **Kolkata.**
Statement 4 is correct: The Tea Board of India has overseas offices in **Moscow, Dubai, Hamburg, London and New York**. The Moscow office of the Tea Board of India operates under the Embassy of India, and its area of activity includes Russia and the CIS countries, which comprise 50% of Indian tea exports.

Q.22) Which of the following initiatives have/has been launched under/integral part of the National Education Policy 2020?
I. Understanding of Lifelong Learning for All in Society (ULLAS) programme
II. DIKSHA - Digital Infrastructure for Knowledge Sharing
III. ASER-Annual Status of Education Report
Select the correct answer from the code given below :
a) I and II only
b) II only
c) I and III only
d) I, II, and III

Ans) a
Exp) Option a is the correct answer
Option I is correct. The Understanding of Lifelong Learning for All in Society (ULLAS) programme was launched in 2022 as a key initiative under the National Education Policy (NEP) 2020. The programme has significantly expanded educational opportunities for adult learners across India, with a special focus on rural communities and women.
Option II is correct. DIKSHA (Digital Infrastructure for Knowledge Sharing) is a national platform for school education. It is an initiative of National Council for Educational Research and Training (NCERT), under the aegis of the Ministry of Education (MoE). **DIKSHA has been highlighted as an integral part of NEP 2020 providing multiple provisions for inculcating and promoting digital learning solutions**.
Option III is incorrect. ASER-Annual Status of Education Report- It is a household-based rather than school-based survey. This design enables all children to be included – those who have never been to school or have dropped out; those who are in government schools, private schools, religious or other types of schools; as well as those who are absent from school on the day of the assessment. The ASER survey is coordinated by ASER Centre and facilitated by the Pratham network. **It is not an initiative under the National Education Policy, 2020.**

Q.23) Which of the following statements about the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 is/are correct?
I. It is enacted based on the Supreme Court Guidelines in Lalita Kumari vs Government of Uttar Pradesh.
II. It applies across both the organized and unorganized sectors.
III. The Act lays down the employer's responsibilities to take active steps to prevent sexual harassment from occurring in the first place.
IV. SHe-Box portal serves as a single-window, centralised digital platform to register complaints under the act.
Select the correct answer using the code given below:
a) I, II, III, and IV
b) II and IV only
c) II, III, and IV only
d) I and III only

Ans) c
Exp) Option c is the correct answer
The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (SH Act) was enacted on 9th December 2013.

Statement I is incorrect: In Lalita Kumari vs. Government of Uttar Pradesh (2013), Supreme Court issued **Lalita Kumari Guidelines. As per the guidelines there is a mandatory Registration of FIRs in Cognizable Offenses**(e.g., murder, rape, kidnapping)**.**

While in Vishaka & Others vs. State of Rajasthan (1997), Supreme Court issued **Vishaka Guidelines – Prevention of Sexual Harassment at the Workplace. These guidelines were later codified into law as the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.**

Statement II is correct: The Act seeks to prevent sexual harassment and ensure a safe, secure and inclusive working environment for women. **It applies across all sectors – public and private, organised and unorganised** – and protects every woman irrespective of her age, employment status or nature of work. This also includes domestic workers.

Statement III is correct: Employers have clear proactive duties under the Act. Beyond merely reacting to complaints, the law requires them to take active steps to prevent sexual harassment from occurring in the first place. Employers must ensure that all employees are aware of the provisions of Act and the female employees are aware of their rights and must ensure a zero-tolerance policy towards harassment. Regular engagement and training help build sensitivity and accountability across the organisation.

Statement IV is correct: The Ministry of Women and Child Development launched the Sexual Harassment electronic Box (SHe-Box) in 2014. SHe-Box portal serves as a single-window, centralised digital platform. It would help in better monitoring of the Act's implementation. It helps track cases filed and disposed of nationwide. It enables any woman facing sexual harassment at the workplace – irrespective of whether she works in the public or private sector, organised or unorganised sector – to register her complaint easily and securely. Once a complaint is submitted, the portal automatically forwards it to the relevant Internal Committee (IC) or Local Committee (LC) based on the details provided by the complainant.

Q.24) With reference to the PRAGATI (Pro-Active Governance and Timely Implementation) platform of the Government of India, consider the following statements:

I. It is a technology-driven platform for monitoring government projects, redressing citizen grievances, and reviewing scheme implementation.

II. It institutionalises cooperative federalism in action.

II. It was developed by the Prime Minister's Office (PMO) with technical support from the National Informatics Centre (NIC).

Which of the statements given above are correct?

a) I and II only
b) II and III only
c) I and III only
d) I, II, and III

Ans) d

Exp) Option d is the correct answer.

India's push towards technology-driven governance has led to the creation of platforms that integrate grievance redressal, project monitoring, and inter-governmental coordination. One such initiative is PRAGATI (Pro-Active Governance and Timely Implementation), launched in 2015, which combines real-time data, video conferencing, and geo-spatial tools to improve decision-making and accountability.

Statement I is correct. PRAGATI was conceived as a **technology-driven governance platform** to improve **efficiency, transparency, and coordination across ministries and states**. One of its core objectives is to **enhance e-governance**

by enabling real-time monitoring of projects and programmes, while also facilitating **inter-ministerial and Centre–State coordination**.

Thus, it is a technology-driven platform for monitoring projects, redressing citizen grievances, and reviewing scheme implementation through coordinated efforts of Central Ministries and State Governments

Statement II is correct; PRAGATI institutionalises cooperative federalism in action. Chief Secretaries of States and Secretaries to the Government of India participate together, enabling faster resolution of inter-state and Centre-State issues. It ensures direct coordination between multiple ministries and State governments.

This model has substantially improved inter-ministerial coordination and reduced procedural bottlenecks that traditionally delayed large public projects.

Statement III is correct. PRAGATI was **designed in-house by the Prime Minister's Office (PMO)** with the **technical assistance of the National Informatics Centre (NIC)**. This reflects the government's emphasis on building **indigenous digital governance infrastructure** tailored to administrative needs.

Q.25) Consider the following statements:

1. The Parliament (Prevention of Disqualification) Act, 1959 exempts several posts from disqualification on the grounds of 'Office of Profit'.
2. The above-mentioned Act was amended five times.
3. The term 'Office of Profit' is well-defined in the Constitution of India.

Which of the statements given above is/are correct?

a) 1 and 2 only
b) 3 only
c) 2 and 3 only
d) 1, 2 and 3

Ans) a

Exp) Option a is the correct answer.

Statement 1 is correct. Section 3 of the Parliament (Prevention of Disqualification) Act, 1959 lists certain offices of profit under the central and state governments, which do not disqualify the holders from being an MP. It exempts posts like:

(i) Ministers of State and Deputy Ministers
(ii) Parliamentary Secretaries and Parliamentary Under Secretaries,
(iii) Deputy Chief Whips in Parliament,
(iv) Vice-Chancellors of Universities,
(v) Officers in the National Cadet Corps, and the Territorial Army, and
(vi) the Chairman and members of Advisory Committees set up by the Government when they are not entitled to any fee or remuneration other than compensatory Etc.

Statement 2 is correct. The Parliament (Prevention of Disqualification) Act, 1959 has been amended 5 times since its formulation (in 1960, 1992, 1993, 2006 and 2013).

Statement 3 is incorrect. Article 102 of the Constitution of India provides that a person shall be disqualified from his membership of parliament if he holds any office of profit under the Government of India or the Government of any State. However, the 'Office of Profit' is not defined in the Constitution of India.

Q.26) The voting age in India was changed from 21 years to 18 years under which one of the following Constitutional Amendment Acts?
a) The 70th Constitutional Amendment Act, 1992
b) The 60th Constitutional Amendment Act, 1988
c) The 61st Constitutional Amendment Act, 1988
d) The 69th Constitutional Amendment Act, 1991

Ans) c
Exp) Option c is the correct answer
Earlier, the age for registration of a voter was 21 years. The 61st Constitutional Amendment Act, 1988, had lowered the voting age from 21 years to 18 years. As a consequence, 35.7 million (or three and a half crore) youths between the ages of 18 and 21 years could exercise their voting right in the 10th general elections held in November, 1989.

Q.27) Which of the following information is exempted from disclosure under the Right to Information Act, 2005?
I. Information whose disclosure would cause a breach of privilege of Parliament.
II. Information received by the Government of India in confidence from a foreign government.
III. Information relating to foreign direct investment proposals pending before the government.
Select the correct answer using the code given below:
a) I, II and III
b) I and II only
c) II and III only
d) I and III only

Ans) b
Exp) Option b is the correct answer.
The section 8(1) provides for certain exemptions from disclosure of information:

- information, the disclosure of which would cause a breach of privilege of Parliament or the State Legislature. Thus **statement I is correct**.
- information received in confidence from foreign Government. Thus, **Statement II is correct.**
- cabinet papers including records of deliberations of the Council of Ministers, Secretaries and other officers:
    - Provided that the decisions of Council of Ministers, the reasons thereof, and the material on the basis of which the decisions were taken shall be made public after the decision has been taken, and the matter is complete, or over:
    - Provided further that those matters which come under the exemptions specified in this section shall not be disclosed;

Statement III is incorrect: The Section 8(1) provides exemptions in above-mentioned 10 categories only and nowhere mentions exemptions for information related to foreign direct investment proposals.

Q.28) Consider the following statements with reference to the Special Officer for Linguistic Minorities/Commissioner for Linguistic Minorities under the Constitution of India:
I. The office of the Special Officer for Linguistic Minorities was not part of the original Constitution.
II. S/he is appointed by the President of India.
III. It shall be the duty of the Special Officer to investigate all matters relating to the safeguards provided for linguistic minorities under the Constitution.
Which of the statements given above are correct?
a) I and II only
b) I and III only
c) II and III only
d) I, II and III

Ans) d
Exp) Option d is the correct answer.
Statement I is correct: The Special Officer for Linguistic Minorities is provided under **Part XVII (Official Language)** of the Constitution of India, specifically under **Article 350B**, which was inserted by the **Constitution (Seventh Amendment) Act, 1956**. This provision was not part of the original Constitution and was added to strengthen safeguards for linguistic minorities in the country.
Statement II is correct: According to **Article 350B (1) of the Constitution of India,** There shall be a Special Officer for linguistic minorities to be **appointed by the President**.
Statement III is correct: According to **Article 350B (2) of the Constitution of India**, **It shall be the duty of the Special Officer to investigate all matters relating to the safeguards provided for linguistic minorities under this Constitution** and report to the President upon those matters at such intervals as the President may direct, and the President shall cause all such reports to be laid before each House of Parliament, and sent to the Governments of the States concerned.

Q.29) With reference to the Tenth Schedule of the Indian Constitution, consider the following statements about the disqualification of Members of Parliament (MPs) on the grounds of defection:
I. The President of India is the final authority in deciding questions of disqualification of MPs, under the Tenth Schedule.
II. An independent member of the House of People becomes disqualified if he/she joins any political party after the election.
Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) b
Exp) Option b is the correct answer.
The **Provisions as to disqualification on ground of defection**, incorporated in the Constitution through the **Tenth Schedule of the Constitution of India** by the 52nd Amendment Act, 1985, aims to curb political defections and ensure stability in legislatures.
Statement I is incorrect. The authority to decide questions of disqualification under the Tenth Schedule lies with the **Presiding Officer (Speaker/Chairman)** of the concerned House, not the President.

Statement II is correct. As per the Tenth Schedule, an **independent member**, once elected, is expected to remain independent. If such a member **joins any political party after the election**, **she/he is liable for disqualification.**

Q.30) With reference to the Viksit Bharat–Guarantee for Rozgar and Ajeevika Mission (Gramin) (VB–G RAM G) Act, 2025, consider the following statements:
I. It guarantees at least 150 days of wage employment in a financial year to every rural household.
II. As per the act, the entire cost of wages is borne by the Central Government.
Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) d
Exp) Option d is the correct answer.
The **Viksit Bharat–Guarantee for Rozgar and Ajeevika Mission (Gramin) act , 2025**, replaced MGNREGA, aligning rural employment with long term vision of Vikshit Bharat 2047. It increased guaranteed annual rural employment to 125 days. It shifts the 100% central wage funding to a shared Centre-State model (mostly 60:40) and integrates planning with PM Gati Shakti.
Statement I is incorrect: The **VB–G RAM G Act, 2025 increases the guaranteed employment from 100 days to 125 days** per rural household in a financial year (not 150 days).
Statement II is incorrect: As per the act, the **entire wage cost is not borne by the Central Government**. The scheme is converted into a **centrally sponsored scheme** with a **60:40 cost-sharing ratio** between the Centre and States (and **90:10** for North-Eastern and Himalayan states).

Q.31) For election to the Lok Sabha, a nomination paper can be filed by:
a) anyone residing in India.
b) a resident of the constituency from which the election is to be contested.
c) any citizen of India whose name appears in the electoral roll of a constituency.
d) any citizen of India.

Ans) c
Exp) Option c is the correct answer.
According to section 4 (d) of the Representation of People Act, 1951, for election to Lok Sabha, a **nomination paper can be filed by any citizen whose name appears in the electoral rolls of any parliamentary constituency.**
The Constitution lays down the following qualifications for a person to be chosen a member of the Parliament:
1) He must be a citizen of India.
2) He must make and subscribe to an oath or affirmation before the person authorised by the election commission for this purpose. In his oath or affirmation, he swears
(a) To bear true faith and allegiance to the Constitution of India
(b) To uphold the sovereignty and integrity of India

3) He must be not less than 30 years of age in the case of the Rajya Sabha and not less than 25 years of age in the case of the Lok Sabha.
4) He must possess other qualifications prescribed by Parliament.
The Parliament has laid down the following additional qualifications in the Representation of People Act (1951).
1) He must be registered as an elector for a parliamentary constituency. This is same in the case of both, the Rajya Sabha and the Lok Sabha.
2) He must be a member of a scheduled caste or scheduled tribe in any state or union territory, if he wants to contest a seat reserved for them. However, a member of scheduled castes or scheduled tribes can also contest a seat not reserved for them.

Q.32) With reference to Aadhaar, consider the following statements:
I. Aadhar card can be used as proof of citizenship.
II. Aadhaar card, once issued, can only be deactivated by the Ministry of Home Affairs, Government of India.
III. Aadhar number is not mandatory for inclusion of eligible voter in electoral roll.
Which of the statements given above is/are correct?
a) I and II
b) III only
c) I and III
d) II and III

Ans) b
Exp) Option b is the correct answer.
Aadhaar is a **12-digit unique identity number** issued to residents of India. It is based on **biometric and demographic data**, and plays a key role in improving **targeted delivery of subsidies and welfare schemes**.
Statement I is incorrect. Aadhaar is issued by the Unique Identification Authority of India (UIDAI). The **UIDAI** (not Ministry of Home Affairs) is also responsible for managing the Aadhaar database which includes deactivating Aadhaar numbers, such as in cases of death.
Statement II is incorrect. **Aadhaar is only a proof of identity**. It helps confirm who a person is. However, **it does not establish domicile or citizenship**.
Statement III is correct: Aadhaar number is not mandatory for inclusion of eligible voter in electoral roll. The ECI has stated that the purpose of providing the Aadhaar number is to assist in the purification of the electoral roll by linking voter ID cards with Aadhaar numbers. However, it has also emphasized that the absence of an Aadhaar number will not be grounds for rejecting an application for voter registration.

Q.33) Consider the following statements:
Statement I: Each State in India has at least one seat reserved for the Scheduled Castes in the House of People.
Statement II: Reservation of seats for people belonging to the Scheduled Caste in the House of People is a Constitutional mandate.
Which of the above is correct in respect of the above statements?
a) Both Statement I and Statement II are correct and Statement II explains Statement I.

b) Both Statement I and Statement II are correct but Statement II does not explain Statement I.
c) Statement I is correct but Statement II is not correct.
d) Statement I is not correct but Statement II is correct.

Ans) d
Exp) Option d is the correct answer.
The Constitution under Part XVI (Articles 330–342) lays down special provisions for the representation of Scheduled Castes (SCs) and Scheduled Tribes (STs). Article 330 specifically mandates reservation of seats in the House of People, but the principle governing such reservation is proportional representation based on population.
Statement I is incorrect. The Constitution does **not guarantee at least one reserved seat for the Scheduled Caste in every State**. Under **Article 330(2)**, a reservation is provided **in proportion to the Scheduled Caste population of the State** relative to its total population. Therefore, **if a State has a negligible or no Scheduled Caste population, it may not have any reserved SC seat in the House of the People eg. Arunachal Pradesh, Manipur, Goa etc have no seat reserved for SC.**
Statement II is correct. **Article 330(1)** explicitly mandates that **seats shall be reserved for the Scheduled Castes in the House of the People**. The use of the word **"shall" makes it a constitutional obligation**, not a discretionary provision. However, the **extent of such reservation depends on population proportions**, as clarified in clause (2) of Article 330.

Q.34) Consider the following statements;
I. Political parties in India are registered with the Election Commission of India under the provisions of the Representation of the People Act 1951.
II. At present, there are 6 National Parties in India.
III. In India, if the political party does not contest elections continuously for 6 years, the party can be taken off the list of registered parties by the Election Commission of India.
Which of the statements given above are correct?
a) I and II only
b) II and III only
c) I and III only
d) I, II, and III

Ans) d
Exp) Option d is the correct answer
Statement I is correct: Political parties (National/State/Registered Unrecognized Political Parties) in the country are registered with the Election Commission of India under the provisions of Section 29A of the Representation of the People Act 1951.
Statement II is correct: At present, there are 6 National Parties, 67 State Parties and 2854 Registered Unrecognized Political Parties (RUPPs) registered with the Election Commission of India.
6 National Parties in India are: Aam Aadmi Party, Bahujan Samaj Party, Bharatiya Janata Party, Communist Party of India (Marxist), Indian National Congress and National People's Party.
Statement III is correct: If a **political party does not contest elections continuously for 6 years**, it may be removed from the list of registered parties. This condition is part of the guidelines issued by the Election Commission to ensure only active parties remain registered.

Q.35) Consider the following countries:
I. Bahrain
II. Qatar
III. United Arab Emirates
IV. Yemen
V. Iraq
How many of the above countries are currently members of the Gulf Cooperation Council (GCC)?
a) Only two
b) Only three
c) Only four
d) All the five

Ans) b
Exp) Option b is the correct answer.
The Gulf Cooperation Council is an economic and political union comprising all the Arab countries of the Persian Gulf except Iraq. The GCC presently has six members namely the **United Arab Emirates, Kingdom of Bahrain**, Kingdom of Saudi Arabia, Oman, **Qatar**, and Kuwait.
Yemen and Iraq are not the members of the Gulf Cooperation Council.

Q.36) The 'Kashi Declaration', which was in the news recently, is primarily related to which of the following?
a) A national consensus to treat substance abuse as a multifaceted public health and societal challenge.
b) A framework to preserve spiritual heritage sites along the River Ganga.
c) A redesigned framework for promoting Sanskrit education in higher secondary schools.
d) An initiative of the Kashi-Tamil Sangamam to promote the Tamil language in North Indian schools.

Ans) a
Exp) Option a is the correct answer.
The Kashi Declaration was formally adopted during the **Youth Spiritual Summit held in Varanasi (July 2025).** Organised by the Ministry of Youth Affairs and Sports, it sets a 5-year roadmap for a national, youth-led drug de-addiction movement (Nasha Mukt Yuva for Viksit Bharat) aiming to create a drug-free society by 2047.
The Kashi Declaration affirms a national consensus to treat substance abuse as a multi-faceted public health and societal challenge, and calls for a whole-of-government and whole-of-society approach. It emphasises the integration of spiritual, cultural, educational, and technological efforts to prevent addiction, support recovery, and foster a national culture of sobriety. It proposes institutional mechanisms for multi-ministerial coordination

Q.37) In the context of Indian Polity, consider the following statements:
I. Removal of an Election Commissioner requires the recommendation of the Chief Election Commissioner.
II. The total tenure of an Election Commissioner who is appointed as the Chief Election Commissioner cannot exceed six years in aggregate as the Election Commissioner and the Chief Election Commissioner

III. The Chief Election Commissioner and Election Commissioners are appointed by the President on the recommendation of a Selection Committee.
Which of the statements given above are correct?
a) I and II only
b) II and III only
c) I and III only
d) I, II and III

Ans) d
Exp) Option d is the correct answer.
The **Election Commission of India**, established under **Article 324 of the Constitution**, is a **constitutional body**.
Statement I is correct. As per **Article 324 of the Constitution** and now explicitly provided under **Section 11(3) of the Chief Election Commissioner and other Election Commissioners Act, 2023**, an **Election Commissioner cannot be removed independently**. His removal **requires the recommendation of the Chief Election Commissioner (CEC)**. This provision acts as an important **institutional safeguard to protect the independence** of Election Commissioners from arbitrary executive action.
Statement II is correct. According to **Section 9(3) of the 2023 Act**, if an Election Commissioner is later appointed as the Chief Election Commissioner, his **total combined tenure (as EC + CEC) cannot exceed six years**. Additionally, the upper age limit of **65 years** also applies. This ensures continuity without allowing excessively long tenures.
Statement III is correct. As per **Section 7 of the 2023 Act**, the **appointment of the Chief Election Commissioner and other Election Commissioners is made by the President** on the recommendation of a **Selection Committee** consisting of:
I. Prime Minister (Chairperson)
II. Leader of Opposition in Lok Sabha (or leader of largest opposition party)
III. A Union Cabinet Minister nominated by the Prime Minister
This marks a shift towards a **structured and formalised appointment process**, moving beyond earlier executive discretion.

Q.38) In the context of the Indian electoral system, which one of the following is the primary legal prerequisite for a citizen to exercise their right to vote at a polling station?
a) Possession of a valid Elector's Photo Identity Card (EPIC) issued by the Election Commission of India.
b) Inclusion of the citizen's name in the current electoral roll of the constituency.
c) Production of an Aadhaar Card as a mandatory proof of citizenship at the booth.
d) Having a permanent residential address in the constituency for at least five years.

Ans) b
Exp) Option b is the correct answer
In the Indian electoral system, the most fundamental legal requirement for a citizen to cast their vote at a polling station is the presence of their name on the official list of voters.
Option a is incorrect: While the Electors Photo Identity Card (EPIC) is the standard identification document, **it is not the primary prerequisite**. Even if a person has an EPIC, they cannot vote if their name is missing from the electoral roll. Conversely, if their name is on the roll, they can vote by producing alternative identity documents.
Option b is correct: Under the Representation of the People Act, the **right to vote is contingent upon being registered in the current electoral roll** of the constituency.

Option c is incorrect: Production of an **Aadhaar Card is not a mandatory requirement for voting**. It is merely one of the many documents that can be used for identity verification if a voter does not have an EPIC.
Option d is incorrect: Having a permanent address is a condition for being registered in the roll, but once the roll is prepared, the **actual exercise of the vote depends solely on the entry in that list**.

Q.39) Which of the following statements with reference to recognition and privileges of a State Party in India are correct?
I. At the last general election to the House of the People from the State, the candidates set up by the political party have secured at least eight percent of the total valid votes polled in the State, then the political party shall be eligible for recognition as a State party in the State.
II. A candidate set up by a State Party at an election in any constituency in a State in which such party is a State Party needs only one proposer for filing his/her nomination.
III. A recognised State Party at an election in a State in which such party is a State Party can appoint a maximum of 40 star campaigners.
IV. A candidate set up by a State Party at an election in any constituency in a State in which such party is a State Party shall be allotted the symbol reserved for that Party in that State.
Select the correct answer using the code given below.
a) II and IV only
b) I and III only
c) II, III, and IV only
d) I, II, III, and IV

Ans) d
Exp) Option d is the correct answer.
Political parties in India are first **registered under Section 29A of the Representation of the People Act, 1951**. However, mere registration is not enough. A party gets the status of a **'State Party' only after fulfilling specific electoral performance conditions** laid down in the **Election Symbols (Reservation and Allotment) Order, 1968**.
Statement I is correct: One of the important criteria to be recognized as 'State Party' is at the **last general election to the House of the People from the State**, or at the last general election to the Legislative Assembly of the State, the candidates set up by the Party **have secured not less than eight percent of the total valid votes polled in the State.**
Statement II is correct: A candidate of a recognised State Party needs **only one proposer** at the time of filing nomination papers. In contrast, candidates from **Registered Unrecognised Political Parties (RUPPs)** or independent candidates are required to have **multiple proposers**, which increases the procedural burden.
Statement III is correct. Section 77 of the Representation of the People Act, 1951 regulates election expenditure and allows political parties to appoint star campaigners. Recognized parties, including state parties, **can nominate up to 40 star campaigners, while Registered Unrecognized Political Parties (RUPPs) can appoint up to 20.** The travel and campaigning expenses of these star campaigners for general party promotion are not counted toward a candidate's election expenditure, provided they do not campaign in the name of a specific candidate.
Statement IV is correct: Recognition as a State Party also entitles the party to the **exclusive use of a reserved election symbol within the State**. This is one of the most important benefits provided under the **Election Symbols Order, 1968**. The symbol becomes the party's identity among voters, especially in a country where a significant number of voters rely on visual recognition.

Q.40) With reference to the International Institute for Democracy and Electoral Assistance (International IDEA), which one of the following statements is/are correct?
I. It was established after the end of the Cold War by the UN Security Council.
II. It is an inter-governmental organization to strengthen democratic institutions and electoral processes worldwide.
Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) b
Exp) Option b is the correct answer.
Statement I is incorrect. The International Institute for Democracy and Electoral Assistance was **not established by the UN Security Council**, nor was it created as a post Cold War supervisory mechanism to oversee democratic transitions.
It was established in 1995 and has been granted observer status at the United Nations.
Statement II is correct. International IDEA is indeed an **inter-governmental organization that works to strengthen democratic institutions and electoral processes worldwide**.

Q.41) The provision under Article 350A of the Constitution of India relates to the:
a) right of any section of the citizens to preserve its distinct language and culture
b) right of the Sikh community to carrying and wearing of kirpans
c) provision for providing facilities for instruction in mother-tongue at primary stage
d) freedom of Minority-managed educational institutions from discrimination in the matter of receiving aid from the State

Ans) c
Exp) Option c is the correct answer.
Article 350A of the Constitution of India states that it shall be the endeavor of every State and of every local authority within the **State to provide adequate facilities for instruction in the mother tongue at the primary stage of education to children** belonging to linguistic minority groups. This provision aims to protect and promote the linguistic rights of minority communities by ensuring that children have the opportunity to receive education in their mother tongue.

Q.42) Consider the following statements:
I. The Global Network for Age-friendly Cities and Communities is a worldwide initiative launched by the United Nations Human Settlements Programme (UN-Habitat).
II. Kozhikode has recently been added to the Global Network for Age-friendly Cities and Communities.

Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) b
Exp) Option b is the correct answer.
Statement I is incorrect: The Global Network for Age-friendly Cities and Communities (GNAFCC) is a worldwide initiative **established by the World Health Organization (WHO) in 2010, and not by UN-Habitat.** Its goal is to help cities and communities create environments that support healthy and active aging by sharing experiences and best practices.
Statement II is correct: Kochi and Kozhikode in Kerala have joined the WHO Global Network for Age-friendly Cities and Communities (GNAFCC), making them the first and second Indian cities, respectively, to join this international initiative.

Q.43) With reference to Special Intensive Revision (SIR) of electoral rolls, which of the following statements is/are correct?
I. Since Independence, it was conducted for the first time before the General Election to the Legislative Assembly of Bihar 2025.
II. The Election Commission of India derives its authority to conduct SIR from Article 324 of the Constitution and the Representation of the People Act, 1950.
III. It is carried out to address issues such as multiple registrations due to migration, non-removal of dead voters and wrongful inclusion of ineligible persons.
Select the correct answer using the code given below:
a) I and II
b) III only
c) I and III
d) II and III

Ans) d
Exp) Option d is the correct answer.
The **Election Commission of India (ECI)** has recently initiated a **Special Intensive Revision (SIR)** in multiple states, beginning with **Bihar** and expanding to several other States and Union Territories. This has brought SIR into focus as a **large-scale corrective exercise** aimed at improving the quality of electoral rolls ahead of upcoming elections.
Statement I is incorrect: Special Intensive Revision has been conducted **eight times between 1951 and 2004**. These exercises were undertaken at different points to correct widespread errors in electoral rolls.
Statement II is correct: The **Election Commission** of India (ECI) **derives its authority to conduct SIR from Article 324** of the Constitution, which grants ECI plenary powers to supervise and update electoral rolls.
Additionally, **Section 21 of the Representation of the People Act, 1950**, also **allows the ECI** to **order an intensive revision** whenever it finds inaccuracies in the existing rolls.

Statement III is correct: Over time, electoral rolls develop inaccuracies due to **Frequent migration**, leading to **duplicate registrations, non-removal of deceased or shifted voters, wrongful inclusion of ineligible persons**, including foreigners. To address these issues, the ECI conducts SIR under its **plenary powers (Article 324 of the Constitution)** and statutory backing from **Section 21 of the Representation of the People Act, 1950**, which allows **intensive revision of electoral rolls whenever required**.

Q.44) Consider the following:
I. Electors who are presently subjected to preventive detention.
II. All senior citizens above the age of 60 years.
III. Voters who are officially assigned on election duty.
IV. Media persons authorized by the Election Commission of India for poll day coverage.
V. Non-Resident Indians (NRIs) registered as overseas electors.
How many of the above are eligible to vote through Postal Ballots in India?
a) Only two
b) Only three
c) Only four
d) All five

Ans) b
Exp) Option b is the correct answer.
The postal ballot facility in India is available to specific categories of "absentee voters" and officials to ensure they can exercise their right to vote.
Statement I is correct: Electors who are **under preventive detention** are **entitled to vote by post** under the law, as they are physically prevented from attending polling stations.
Statement II is incorrect: Not all senior citizens above 60 are eligible. The facility is currently available for **senior citizens aged 85 years and above** (this age limit was revised from 80 years in early 2024).
Statement III is correct: Voters on election duty, including polling officials, police personnel, and other staff assigned to duties away from their home stations, **are eligible to use postal ballots.**
Statement IV is correct: Media persons authorized by the Election Commission for poll day coverage have been **included in the 'essential services' category, making them eligible for the postal ballot facility.**
Statement V is incorrect: Non-Resident Indians (NRIs) registered as overseas electors are currently **required to cast their votes in person at the polling station** in their respective constituencies in India. They do not have the facility for postal ballots yet.

Q.45) With reference to the Group of Twenty (G20), consider the following statements:
I. The G20 is an informal intergovernmental forum of major economies of the world.
II. It was established in the aftermath of the 2008 global financial crisis.
III. The G20 has a permanent secretariat located in New York.
IV. In the G20 Summit, 2025, India proposed an initiative on countering the drug–terror nexus.
Which of the statements given above are correct?
a) I, II and III only
b) I and IV only
c) II, III and IV only
d) I, II, III and IV

Ans) b
Exp) Option b is the correct answer.
Statement I is correct. The G20 is an informal intergovernmental forum because it is not created by a treaty and does not have a binding legal framework like the UN or WTO.
Statement II is incorrect. The G20 was **established in 1999** after the Asian Financial Crisis. However, after the **2008 Global Financial Crisis**, it was elevated to the **Leaders' Summit level**.
Statement III is incorrect. The G20 **does not have a permanent secretariat** anywhere in the world. Instead, it follows a **rotating presidency system**
Statement IV is correct. At the **2025 G20 Summit**, India advanced an initiative on countering the drug–terror nexus.

Directions for the following 2 (two) items:
Read the following passage and answer the items that follow the passage. Your answers to these items should be based on the passage only

Passage - 1

Every train journey carries a deeply human promise: that families will reunite, workers will return home, and students will arrive safely. This transformation is being driven by Kavach, India's indigenously developed Automatic Train Protection (ATP) system. Earlier, train operations on Indian Railways relied largely on trackside signaling and manual control. While modern interlocking systems improved operational safety, train driving remained heavily dependent on the Loco Pilot's ability to correctly observe signals and regulate speed. This reliance on human judgment had inherent limitations. Missed or misinterpreted signals occasionally led to serious accidents, underscoring the need for a robust ATP system. Kavach addresses these vulnerabilities through real-time monitoring and automatic intervention, ensuring safer and more reliable train operations. In doing so, it strengthens public trust in the railway system and brings India closer to a zero-accident vision.

Q.46) Which one of the following statements best reflects the central idea of the passage?
a) Frequent incidents of accidents negatively affect public trust in transportation systems.
b) Kavach will enhance safety in railway operations by addressing the limitations of human judgment.
c) Railways in India not only bridge geographical distances but also foster social connections.
d) While human operators are susceptible to error, technological systems offer greater reliability in train operations.

Ans) b
Exp) Option b is the correct answer.
Statement a is incorrect. While the passage mentions that enhanced safety would increase public trust in the railways, statement a does not best reflect the central idea of the passage as it **only talks about the consequence of enhanced safety in railways rather than highlighting how is it being enhanced.**

Statement b is correct. It best reflects the central idea of the passage as it **focuses on the main theme i.e. how Kavach helps in enhancing safety of railways**. It is mentioned in the passage as "Kavach addresses these vulnerabilities through real-time monitoring and automatic intervention, ensuring safer and more reliable train operations"

Statement c is incorrect. It does not best reflect the central idea of the passage as it **diverts from the central issue of safety in railways.**

Statement d is incorrect. The passage states "reliance on human judgment had inherent limitations. Missed or misinterpreted signals occasionally led to serious accidents, underscoring the need for a robust ATP system. Kavach addresses these vulnerabilities through real-time monitoring and automatic intervention, ensuring safer and more reliable train operations". However, statement d does not best reflect the central idea of the passage as it **does not talk about the role of Kavach**.

Q.47) With reference to the above passage, the following assumptions have been made:
I. The adoption of Automatic Train Protection systems would completely eliminate human intervention in train operations.
II. As rail transport becomes safer, its share of total passenger traffic is likely to increase.
Which of the above assumptions is/are valid?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) d

Exp) Option d is the correct answer.

Statement I is incorrect. While the passage states that Automatic Train Protection (ATP) system Kavach would have "real-time monitoring and automatic intervention", it **does not explicitly mention that Kavach would completely eliminate human intervention in train operations**.

Statement II is incorrect. Although the passage mentions that safe and more reliable train operations strengthen public trust in the railway system, it **does not explicitly mention that enhanced safety would increase the share of railways in total passenger traffic.**

Q.48) There are a large number of brass weights weighing 3 gm, 12 gm, 35 gm, 100 gm, and 250 gm each. Consider the following statements:
I. To assemble exactly 68 gm of these weights, one must use at least 6 weights.
II. To weigh a 68 gm object using a two-pan balance, one can use less than 4 weights.
Which of the statements given above is/are correct?
a) I only
b) II only
c) Both I and II
d) Neither I nor II

Ans) c

Exp) Option c is the correct answer.

Statement I is correct: To make **68 gm** by addition only:

68 = 35 + 12 + 12 + 3 + 3 + 3

So **6 weights** are sufficient.
Also, with **5 or fewer** weights:

- without **35**, maximum is **5 × 12 = 60**
- with **35**, remaining **33** needs at least **2 × 12 + 3 × 3**, so total still **6**

Hence at least **6 weights** are necessary.
Statement II is correct: On a two-pan balance:
68 + 35 = 100 + 3
So place the **68 gm object + 35 gm** on one pan, and **100 gm + 3 gm** on the other.
This uses only **3 weights**, which is **less than 4**

Q.49) There are five agents V, W, X, Y and Z, each one of whom has to be assigned one zone. Neither V nor W can be assigned Zone-1. Zone-2 must be assigned to either W or X. In how many ways can the assignment be done?
a) 24
b) 30
c) 36
d) 42

Ans) b
Exp) Option b is the correct answer.
Split into 2 cases.
Case 1: Zone-2 is assigned to W
The remaining agents are **V, X, Y, Z** for Zones **1, 3, 4, 5**.
Since **V cannot be assigned Zone-1**, total ways:
4! − 3! = 24 − 6 = 18
Case 2: Zone-2 is assigned to X
The remaining agents are **V, W, Y, Z** for Zones **1, 3, 4, 5**.
Since **neither V nor W can be assigned Zone-1**, Zone-1 must go to **Y or Z → 2 ways**.
The remaining 3 agents can be assigned in **3! = 6** ways.
So total ways:
2 × 6 = 12
Hence total number of assignments:
18 + 12 = 30

Q.50) Consider the following :
I. A # B means A is neither smaller than nor equal to B.
II. A @ B means A is not greater than B.
III. A % B means A is neither greater than nor equal to B.
IV. A $ B means A is not smaller than B.
V. A & B means A is neither smaller nor greater than B.
Statement :
P $ Q, Q @ R, R & S, S # T
Conclusion-1 : P $ T
Conclusion-2 : T % Q
Which one of the following is correct in respect of the above Statement and the Conclusions ?
a) Only Conclusion-1 follows from the Statement.

b) Only Conclusion-2 follows from the Statement.
c) Both Conclusion-1 and Conclusion-2 follow from the Statement.
d) Neither Conclusion-1 nor Conclusion-2 follows from the Statement.

Ans) d
Exp) Option d is the correct answer.
From the coded meanings:
I. P $ Q ⇒ P ≥ Q
II. Q @ R ⇒ Q ≤ R
III. R & S ⇒ R = S
IV. S # T ⇒ S > T
So:
R = S > T, hence **R > T**
and also **Q ≤ R**.
Conclusion-1 is not definite:
From **P ≥ Q** and **Q ≤ R > T**, we cannot be sure that **P ≥ T**.
So Conclusion-1 does **not** follow.
Conclusion-2 is not definite:
From **Q ≤ R** and **T < R**, no fixed relation between **T** and **Q** follows.
So Conclusion-2 also does **not** follow.
